The CEO reported on a meeting held with representatives from Surfing WA and members of the Kalbarri Board Riders Club in investigating the possibility of an Open Surf Competition similar to that of the Margaret River Open, to be held in Kalbarri.

From the meeting the Kalbarri Board Riders stipulated that they have a no-comp zone within their constitution and do not want the competition in Kalbarri due to environmental impacts and ongoing competing surf use that promoting Kalbarri might create.

The CEO had advised that many aspects and measures would need to be put in place to ensure no environmental damage to the dune system etc would occur and to cater for the influx of visitors in parking requirements, bus transport etc however these will need to be determined at a later date if a decision to hold the event is supported by the state government.

Surfing WA are to meet with the Minister for Tourism and Tourism WA to determine if funding for an event application is to be considered by them and therefore no decision by Council can be made until such time a formal event application to Council by Surfing WA is received.
