Candidate name	Desmond Ray PIKE
District	Shire of Northampton
Nominating for	Councillor for Shire of Northampton
Election type	Ordinary
Enrolment status	PIKE, Des is eligible to stand for election as a resident of the Shire of Northampton.

My name is Des Pike; I am 68 years old, married and have lived in WA all my life. My wife and I have been permanent residents of Kalbarri for almost 15 years.

I have been a Councillor on the Shire of Northampton, Kalbarri Ward, for the past ten years and have enjoyed the challenge immensely. I am currently a member of DAP, the Marine Advisory Board, Kalbarri Development Association and Chairman of the Kalbarri Roadwise Committee.

The future of our Shire is bright and I would value an opportunity to be part of this progressive team as we move forward into the field of renewable resources. The proposed hydrogen plant and several new mining adventures will offer employment opportunities, including apprenticeships, and provide much needed services for the Shire.

My hobbies include fishing, camping, fossicking and travel. I am passionate about the environment and the future of Kalbarri and surrounding districts.

I believe I can make a significant contribution to Council.
