I am proud to live and work in the Shire of Northampton.

I run a farm with my husband, Tony and our family. We are also involved in an accommodation business in Kalbarri.

I have an in-depth knowledge of the area and believe I am well placed to act equitably for all communities within the Shire.

I am committed to sustainable economic development, including tourism and arts/culture opportunities.

I am open to green energy opportunities, so long as there is a balance between respect for our environments and partnerships are in place to improve infrastructure across the Shire.

I will work to improve health services in our Shire, including aged care for Kalbarri.

I believe we all have a responsibility to work together to make our communities better places to live and work.

I feel a sense of duty to play my part to serve my community.

I have been on Council for four years and President for two. I endeavour to bring integrity, honesty and teamwork to the role.
